

SPRING to DANCE FESTIVAL 2009

Spring to Dance 2009 Update

Great news! We've just learned that the Plains Presenters plan to hold their semi-annual meeting here in St. Louis on Memorial Day weekend next year, during *Spring to Dance 2009*. So, we can now guarantee that *Spring to Dance 2009* will be a showcase seen by the major Midwestern presenters!

Plains Presenters is a professional consortium of performing arts presenters in the Midwest region, with core membership in Missouri, Kansas and Nebraska, and growing membership in Illinois, Iowa, South Dakota and Arkansas. The consortium meets regularly for block booking and professional development.
