The information that will appear in the program for each specific dance will include the name of the dance company, artistic and/or executive director, name of dance, choreographer and other creative credits such as composer and lighting designer, and funding credits if you are required to use them for the dance you are performing.

If you have already sent us your detailed performance information, thank you! We will edit it to fit the above format.

For more detailed information about your company, we will have two options during the festival. There will be a table in the Touhill lobby for the general public where you will be able to display your season brochures, dancers' biographies, etc. There will also be a display area in the presenters' lounge. More information about these two options will be forthcoming.

We're so excited about *SPRING TO DANCE FESTIVAL 2008*. Our springtodance.com website is now up—check it out to see your company featured!
